3 Roles and Responsibilities

3.1 The academy committee's responsibilities are different to those of the board of directors and are delegated to them by the board of directors. The delegated functions relate to²:

4 Commitment

We acknowledge that being an academy committee representative:

- Involves committing significant amounts of time and energy.
- Involves participating fully in the work of the academy committee so that individuals accept a fair share of the responsibilities and duties, including service on committees, working parties or as 'named representatives'.
- Requires regular attendance at meetings of the full academy committee and subcommittees.
- Requires getting to know the school well and responding to opportunities to visit and get involved in school activities.
- Requires considering seriously our individual and collective training and development needs and using any designated funds to address them.
- Requires knowledge and understanding of our role within school procedures.

5 Confidentiality

We understand that being an Academy Representative requires that we:

- Observe confidentiality at all times
- Keep discussion about decisions confidential even when decisions themselves are made public through the minutes of the meetings.
- Exercise prudence when invited to respond in discussions and informal talk outside academy committee meetings, encourage issues to be brought through the proper channels.
- We will exercise care and skill when communicating through social media.
- We will not reveal the details of any academy committee's vote.

6 Relationships

In all our relationships we shall exercise stewardship and draw on the teachings and example of Jesus Christ in that:

- All relationships will be built on the core values of the gospel based on the Beatitudes summarised as: faithfulness and integrity; dignity and compassion; humility and gentleness; truth and justice; forgiveness and mercy; purity and holiness; tolerance and peace and service and sacrifice.
- We will comply with any Diocesan Protocols for a committed working relationship between the Diocese and the school.
- We will ensure that we continually communicate with and, where appropriate, seek support and guidance from our diocesan education service.
- We will express views openly, courtesy and respectfully in all our communications with other directors.

- We will seek to develop effective working relationships with the Diocese, parish, the senior leadership, staff, parents, pupils, the local authority, other relevant agencies, and the local community.

7 Meeting Structure and Management

- 7.1 The academy committee must appoint a clerk with a view to their efficient functioning and must have regard to advice from the clerk as to the nature of academy committee functions. The clerk will produce agendas and minutes for the meetings.
- 7.2 The clerk will send out agendas, minutes and any reports or other papers to be considered at the academy committee meeting at least seven clear days in advance to appropriate people.
- 7.3 The academy committee will work efficiently and effectively in the best interests of the school by organising itself into a committee structure so that it can fulfil its statutory responsibilities, including ensuring the statutory right of appeal, through appropriate full delegation of powers and statutory functions to either:
 - a committee
 - an academy committee representative or
 - the principal
- 7.4 There is an expectation that all committees will function with a view to securing the Catholic ethos of the school, as well as ensuring the school provides a high quality educational experience for all its children. Catholicity will not be viewed as a 'bolt-on' extra to be considered separately, instead the teachings of Jesus Christ and the Catholic Church and Gospel values will underpin all the aspects of the work of the academy committee.
- 7.5 The academy committee must review the delegation of its statutory functions annually.
- 7.6 Observers will be allowed to attend meetings in order to promote a willingness to serve the community as an academy representative, or to extend the professional development of middle and senior managers.
- 7.7 By working through an effective and efficient committee structure the academy committee will strive to keep the number of full academy committee meetings to the minimum of three per academic year, which in normal circumstances will be one a term.
- 7.8 Thought will be given to the timing of meetings, including holding them during the working day or at the end of the school day, rather than the evening.
- 7.9 Whilst aiming for a tight regular meeting structure the academy committee retains the flexibility to hold additional full academy committee meetings in special circumstances (for example, Ofsted, etc.). Ad hoc committees which deal with specific procedural issues will only meet when necessary, in a manner determined by the academy committee.
- 7.10 The chair of the academy committee, the principal, all other academy committee representatives and the clerk will subscribe to the following expectations so that the academy committee representatives, will achieve informed, collective decisions in an effective and efficient manner that meet the legal requirements.
 - In order to be effective meetings need to be quorate. The quorum for an academy committee meeting is 50% of the membership (not including vacant positions).
 - Apologies will be considered at full academy committee meetings, not simply accepted.
 - All meetings will have a maximum length of 2 hours.

- Academy representatives will be expected to be punctual and meetings will start at the agreed time.
- All academy representatives must properly prepare for meetings by reading papers in advance and giving thought to the issues to be discussed. All papers circulated in advance of the meeting should be taken as read.
- Minutes will record key matters discussed; summarise the key points discussed; record decisions and / or agreed actions accurately. The detail of the discussion and how individual academy representatives vote is confidential. The minutes will be made available, in draft form, within 7 days of the meeting, thus ensuring they are proof-read with a good recollection of the meeting. Confidential matters should not be recorded in minutes that are published in the public domain.
- Minutes will be reviewed, amended as necessary and signed by the chair at the next meeting.

8 Implementing the Code

- 8.1 There is an expectation that anyone serving as academy committee representative will adhere to this Code of Practice.
- 8.2 In the unlikely event of a serious breach of this Code of Practice, by behaving in a manner that would be inconsistent with the school or multi-academy ethos, the academy committee or the board of directors have the right to hold an individual academy committee representative to account (The academy committee should seek advice from the Diocesan Education Service).

THE NOLAN PRINCIPLES

Academy Committee representatives are guided by the Nolan Principles. Lord Nolan's Seven Principles of Public Life apply to anyone who holds a public office, including those in the education sector.

1. Selflessness

Holders of public office should act solely in terms of the public interest. They should not do so in order to gain financial or other material benefits for themselves, their family, or their friends.

2. Integrity

Holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must declare and resolve any interests and relationships.

3. Objectivity

Holders of public office must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.

4. Accountability

Holders of public office are accountable for their decisions and actions to the public and must submit themselves to whatever scrutiny is appropriate to their office.

5. Openness

Holders of public office should act and take decisions in an open and transparent manner and give reasons for their decisions. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.

6. Honesty

Holders of public office have a duty to declare any private interests relating to their public duties and to take steps to resolve any conflicts arising in a way that protects the public interest.

7. Leadership

Holders of public office should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs
